

# **Power in Kids**

by Livia and Meline

## Verse 1

When the Earth is heating up  
It causes some weird stuff  
But children can do something about it.  
We will use the 3 R's  
Ride bikes instead of cars  
And we will prove our power that's within!

## Chorus

I've got the power in me.  
You've got the power in you.  
Kids got the power, p-p-power  
To slow down climate change!  
Nobody's gonna hold us back.  
Nobody's gonna silence our words.  
Nobody's gonna close our minds.  
We've got the power in kids!

## Verse 2

Now the Earth is needing help  
And the world just walks on by  
But children can do something about it.  
We'll plant some tiny seeds  
That grow into big trees  
And we will prove our power that's within!

## Chorus

I've got the power in me.  
You've got the power in you.  
Kids got the power, p-p-power  
To slow down climate change!  
Nobody's gonna hold us back

Nobody's gonna silence our words.  
Nobody's gonna close our minds.  
We've got the power in kids!

### Verse 3

We'll tell everybody how  
We need to help our planet  
And kids are doing something about it.  
We might look very small  
But inside we are tall  
And we're proving our power that's within!

### Chorus

I've got the power in me.  
You've got the power in you.  
Kids got the power, p-p-power  
To slow down climate change!  
Nobody's gonna hold us back.  
Nobody's gonna silence our words.  
Nobody's gonna close our minds.  
We've got the power in kids!
